Vision Statement

Provide excellence in a Christ-centered, whole-person education, discipling students to honor God in this culture and to have a transformative impact on the world.

Mission Statement

“Preparing the Next Generation to Become World Changers”

Statement of Faith

1. The Bible is the inspired, inerrant Word of God; it is the ultimate source of truth and authority. (II Tim. 3:16; II Pet. 1:20-21; Heb. 4:12)
2. One of the divine mysteries that we receive by faith is that God is triune, three distinct persons, yet one God. (Matt. 28:18,19; Matt. 3:16,17)
3. Jesus, who is true God and true man, is the only way of salvation has made full and complete payment for all the sins of all people when He died on the cross at Calvary, and His resurrection is proof that the Father accepted this payment. (I John 4:2 & 15; John 3:16; I John 1:7)
4. The Holy Spirit initially brings believers to faith in Jesus, keeps them in the faith day by day, and constantly works to produce spiritual maturity. Believers are to submit to the Holy Spirit and cooperate with Him as He develops spiritual fruit in each life. (I Cor. 12:3; I Cor. 6:11; Gal. 5:22-24).
5. It is both a privilege and a duty to share the good news of salvation through the atoning blood of Jesus Christ with all people because all are sinful by birth and by personal act. All will perish in the eternal lake of fire unless they receive Jesus as their personal Lord and Savior. (Matt. 28:18-20; Acts 1:8; Luke 24:46,47)
6. The gifts of the Holy Spirit are available today. Therefore, we believe these gifts include healing miracles, supernatural wisdom and knowledge, and God speaking through prophetic utterances. ZCA teaches that the baptism of the Holy Spirit is available to all born-again believers as God’s gift of power to witness and to live a victorious Christian life. (Rom. 11:29; Num. 11:22; I Cor. 12:1-11; I Cor. 14; Mark 1:8; Matt. 3:11)
7. Parents have the God-given responsibility to bring their children up in the nurture and admonition of the Lord. (Eph. 6:4; Deut. 6:4-9; Prov. 22:6)
8. Prayer is a vital part of every Christian’s life. To praise God, seek His guidance, intercede for the needs of others, and offer personal petitions. God has bound Himself to answer the prayer offering - retaining for Himself the right to determine “how” and “when.” (I Thessalonians 5:16-22; James 1:5-8; James 5:13-18; I Tim. 2:1-4)
9. Those who are in the right relationship with Jesus will be active and regularly in attendance at a church or Christian fellowship. (Act 2:42,46,47; Acts 1:14)
10. God has not rejected Israel. Therefore, for the sake of God, we offer friendship and support to Jewish people throughout the world. (2 Chronicles 9:8; Psalms 98:3; Isaiah 44:21; Ezekiel 37:28; Romans 11:25; Jeremiah 31:2).
11. We believe marriage has only one meaning: the uniting of one biological man and one biological woman in a single, exclusive union, as delineated in Scripture. We believe that God intends sexual intimacy to occur only within the confines of marriage. (Gen. 1:26-28; 2:24, Matt.19:1-10, Eph. 5:22-33, Heb. 13:4)
12. We believe that children are a blessing from the Lord. Thus, all human life is sacred and worthy of protection from the moment of conception. (Psalms 127; 139:13-16)

INTRODUCTION

The purpose of this handbook is to acquaint you with the philosophy, policies, and procedures of Zion Christian Academy. We believe parents hold the primary right and serious obligation to educate their children. Thus, we realize that parents delegate the sacred trust of educating their children according to Christian principles to the teachers at ZCA, who willingly assume this role of educator. We use a curriculum promoting a Biblical worldview in all classrooms for all subjects (Abeka, BJUPress, and Summitt).

It is imperative that parents/guardians have a firm understanding of what is expected during the hours that children are under the care of the school. With that in mind, please read this handbook carefully, making note of the changes.

1. PHILOSOPHY of CHRISTIAN EDUCATION

The following is Zion Christian Academy's (ZCA) "Philosophy of Christian Education:"

I. Authority

- A.** We believe that God is the center of the universe. Man and creation do not exist apart from God. All of creation exists in Him and is under His control. God makes Himself known throughout it and in the events of mankind (John 1:1-4; Colossians 1:16-17).
- B.** We believe God is an eternal being of absolute knowledge, power, and goodness. He is the source of all truth. He is a unity who expresses Himself in the Trinity (Romans 11:36; I John 5:6-7).
- C.** We believe in the deity of Jesus Christ, the eternal Son of God, who has fulfilled the Father's redemptive plan with His sacrificial death upon the cross. The only hope for man is to believe in Jesus Christ, who was resurrected from the dead, and who will return to the earth in power and glory (John 3:16; I Timothy 2:5-6; Acts 4:12; Acts 1:11).
- D.** We believe that the Holy Spirit is the third person of the Godhead who indwells every believer. He is our teacher and will lead us into all truth (John 16:13-14; I John 2:27; I John 4:13).
- E.** We believe that man was created in the image of God. Man's image has been marred by his disobedience, and so he has fallen from God's original plan. Because of God's love for us, He provided a plan for our redemption through faith in Jesus Christ (Genesis 1:26-27; Romans 3:23-24; II Corinthians 5:17).
- F.** We believe that education has a two-fold responsibility: to nurture and to lead out. This emulates the pattern of Jesus Christ, who taught His disciples the secrets of truth before He sent them out. It is our purpose as educators to continue the process of bringing students into the image of God. Our intent is for students to acquire the wisdom and knowledge of God in order to affect the world. Christian education requires the instructing, disciplining, enlightening,

correcting, and forming of the child according to Christ and His world (Deuteronomy 6:1-2; 5-7).

- G.** We believe that the fear of the Lord is the beginning of knowledge. Although the world may have tremendous knowledge and a great capacity for understanding that knowledge, true wisdom comes only from God and is given to those who ask. That which the world would consider “wisdom” is not considered such by God (James 1:5; Proverbs 1:7; I Corinthians 3:19).
- H.** We believe that all truth is God’s truth. Although there usually exists a dualistic concept of sacred and secular truths (theistic and humanistic), we assert that all truth is from the hand of God and is intended for man’s use. Education without God is limited to sense knowledge. Christian education reveals that reality originates with God, not man, and is spiritual and eternal, not material and temporal (II Corinthians 4:18; John 8:32; John 14:6).
- I.** We believe that the Bible in its entirety is divinely inspired and without error. We believe it is the Word of God, and it must be integrated into every aspect of the Christian school (John 17:17; II Timothy 3:16-17).
- J.** We believe that the school is an extension of the home and never a replacement for it. Christian education begins in the home and is the primary responsibility of the parents, as mandated by God. Therefore, the Christian school exists by the permission of the parents to assist them in the important task of parenting their children in today’s society (Deuteronomy 11:18-19; Ephesians 6:4; Proverbs 22:6).

II. Curriculum

- A.** Personnel. We believe that the curriculum includes all activities and experiences which are initiated by the school for the accomplishment of the aims of education. The basic foundation upon which a Christ-centered curriculum is built is the school board, the administrator, the faculty, and the staff. These individuals, whatever their function in the school, must consider themselves a “living curriculum” portraying the image of Jesus Christ. We believe that each student will be influenced more greatly by those individuals than by any activity or written material (Philippians 4:9).
- B.** Instructional Material. We believe God wants His children to have the very best possible learning experiences to help them grow and mature. Instructional materials of all kinds need to be carefully evaluated and implemented. They must fulfill a vital link in the total process of education while meeting the individual needs of students. They must glorify God and lead students into a new awareness of Him and the universe He created (Psalm 32:8; Proverbs 19:20; Proverbs 24:32).
- C.** Service. We believe that everyone in a Christian school needs to be a servant of others. Thus, the services the school renders must come from a servant’s heart. In providing services, we must avoid waste and luxury while providing adequate

means for meeting students' needs (II Corinthians 8:21).

- D. Facilities. We believe that facilities must glorify God and should present an image that is neither extravagant nor destitute of value. The facility should be conducive to enjoyable and profitable learning experiences. It should always be well-maintained and kept in a manner reflecting the blessings and benefits of God (Proverbs 24:3-4).

III. The Student

We believe God loves each student and longs for fellowship with each precious one. Through a God-centered and Bible-based curriculum, the Holy Spirit will be at work developing within each student a renewed mind. This leads to a life that is moving closer to God's full purpose for each life. We believe that each student should be educated as an individual who possesses unique abilities, talents, and personality. Each student should be trained to know how to live and work with others in the home, the church, and society. The student is enabled to do this by the Holy Spirit as he is taught by parent and teacher models who are born-again and have a Godly perspective of life (Matthew 19:14; I Corinthians 12:11).

IV. The Family

Statement on Marriage, Gender, and Sexuality:

- A. We believe God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God (Gen. 1:26-27). Rejection of one's biological sex is a rejection of the image of God within that person.
- B. We believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture (Gen. 2:18-25).
- C. We believe God intends sexual intimacy to occur only between a man and a woman who are married to each other (I Cor. 6:18; 7:2-5; Heb. 13:4).
- D. We believe God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.
- E. We believe any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God (Matt. 15:18-20; I Cor. 6:9-10).
- F. We believe in order to preserve the function and integrity of Zion Christian Academy as the local body of Christ and to provide a biblical role model to the Zion Christian Academy members and the community, it is imperative that all persons employed by Zion Christian Academy in any capacity, or who serve as volunteers, agree to and abide by this Statement on Marriage, Gender, and Sexuality (Matt. 5:16; Phil. 2:14-16; I Thess. 5:22).

- G. We believe God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ (Acts 3:19-21; Rom. 10:9-10; I Cor. 6:9-11).
- H. We believe every person must be afforded compassion, love, kindness, respect, and dignity (Mark 12:28-31; Luke 6:31). Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrines of Zion Christian Academy.

Statement on the Sanctity of Human Life:

We believe all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including preborn babies, the aged, the physically or mentally challenged, and every other stage or condition from conception through natural death. We are, therefore, called to defend, protect, and value all human life (Psalm 139).

Statement on Final Authority for Matters of Belief and Conduct:

The statement of faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of Zion Christian Academy's faith, doctrine, practice, policy, and discipline, our school board is Zion Christian Academy's final interpretive authority on the Bible's meaning and application.

V. The Teaching-Learning Process

We believe in the teaching and learning process, the truth of the Word of God must be effectively taught, not only in the sense that the person is able to grasp or understand it but also with an emphasis on the practical application or outworking of this in terms of our daily Christian walk. The written Word must be presented to the individual so that it might become the living Word in the individual's life. The Bible stresses that learning begins with truths of God and produces an increased knowledge of God, with the primary purpose being to produce godliness in the lives of the students. Additionally, the Bible indicates that true learning is for living (Colossians 1:9-10).

VI. Organizational Patterns

We believe the structure of the Christian school should be based upon the principles of organization found within the New Testament. These principles embody the concepts of servanthood, mutual submissiveness (or Christian self-government), and close interpersonal relationships based upon the Biblical principle of love as expressed in I Corinthians 13. Each segment of the school organization, the school board, the administrator, the faculty, staff, and parents must be willing to facilitate the task of Christian education, which is the total development of the whole child (II Timothy 2:2).

VII. Ministry Objectives

We believe in order to be most effective, the Christian school must define its ministry objectives for these reasons:

- A. Objectives clarify the goals toward which the school is aiming.
- B. A clear perspective gives direction and impetus to the daily work of the school.
- C. Objectives provide standards against which a school can judge its present status and its rate of progress.
- D. Objectives are necessary for an effective relationship between a Christian school and the community (I Timothy 1:5).

VIII. Integration

We believe the method of presenting God's truth in all areas and the nurturing of students to see all truth as God's truth requires two important conditions. First, the Bible must be taught at each grade level in a manner that is conducive to their age and ability. Secondly, Biblical truth pertaining to subject matter must be integrated as part of each subject. This process involves discovering principles and facts which are found in the Bible and integrating them into the subject matter where they are relevant. We believe that in order for this process to be effective, every teacher and student must be actively involved in the study of the Bible in order to apply it daily to the process of education (John 17:17; I Timothy 4:16).

PROCEDURES

1. The basis of all programs (i.e., spiritual, academic, extracurricular, and support) is ZCA's Philosophy of Christian Education.

Should you choose to buy school lunch, your child is served a hot, well-balanced meal each day for \$4.50. **On the 1st and 15th of each month, your account will be charged for the number of lunches your child has eaten during that period.** A monthly calendar will be provided, which will list the menu for that month. If you choose to pack lunch, please be mindful that we cannot refrigerate or heat items, so please plan accordingly.

Please note: If your student forgets to bring their lunch, you have the option of:

- 1) bringing your child's lunch to the school
- 2) your child will receive a supplemental lunch at the school lunch rate of \$4.50.

8. HEALTH & SAFETY

Your child's health is a matter of major importance to all of us. Upon enrollment, we require a Preventative Health form signed by a physician to be provided, as well as proof of up-to-date immunizations on the approved KY form.

Your child may be sent home if any symptoms of an illness appear during the day. In such cases, your child will be immediately isolated from the others, and you will be contacted.

- *Heavy nasal discharge*
- *Constant cough*
- *Abnormally irritable*
- *Abnormally tired (Rest at such times may prevent the development of serious illness)*
- *Possible communicable disease symptoms (i.e., sniffles, reddened eyes, sore throat, headache, abdominal pain, fever).*

Please notify the school at once if the child does have a communicable disease.

*****If your child is sent home from school sick, please do not send them the next day without approval from the office. Please call the school the following morning to discuss symptoms, and a decision will be made if they are able to return.*****

Your child may come to school if:

- *A cold is over, but a minor nasal drip remains*
- *The school has been notified of exposure to a communicable disease and the approved incubation period is over*

EMERGENCY PROTOCOL

In case of accidental injury or emergency, ZCA will attempt to contact the child's designated emergency contacts. If necessary, an ambulance or paramedic will be contacted as well. Until a parent, ambulance, or paramedic arrives, the Principal or an Assistant will personally oversee the child's care. The legal guardian will be expected to assume responsibility for any resultant expense not covered by ZCA insurance as agreed to per the signed consent form. It is to each child's benefit that parents/guardians keep the school up to date on all emergency contact information and any other pertinent information regarding child health and safety.

14. AFTERCARE

The use of aftercare is primarily for those who have registered for set days upon enrollment. Due to staffing limitations, if you have not been registered for aftercare, you must call ahead to check availability. Aftercare is only available for students in grades K-5. **We do not offer aftercare for students in 6th-8th Grades.** Students are expected to abide by the ZCA school behavior policies, and failure to do so will result in loss of after-care privileges.

15. ATTENDANCE

We are required to follow the State of Kentucky's Attendance Guidelines; therefore, it is crucial that your child attend school each day. If your child has more than **Six Unexcused Absences** within the school year, we will be forced to report your child to the State. In addition, Three Unexcused Tardies are counted as 1 Absence.

ZCA Chronic Absenteeism Policy

Chronic absenteeism means missing too much school—for any reason—excused or unexcused. ZCA defines chronic absenteeism as missing 10% (or around 18 days) during a school year. Any student with 10% or more absences in a school year **will be considered “under review” for chronic absenteeism. The parents must address the school board for consideration to continue at ZCA or be promoted to the next grade.**

The parent, in accordance with state law, must notify the office each day if his/her child is absent from school. **The parents must call the office before 9:00 AM, a voicemail may be left.** The State Law also requires that a signed written excuse be provided to the teacher within three days of the student's return. The excuse must state the child's name, dates of absence(s), **and reason for the absence(s)**. A student is entitled to **8 Parent Notes** per school year.

The following are examples; there may be additional tardy/ absence reasons not listed. All Tardies are at the discretion of Zion Christian Academy, whether they are counted as Excused or Unexcused.

REASON	ATTENDANCE CODE	NOTE
Overslept (Signed into School at 9 AM)	Tardy	Parent Note (Counts as 1 of 8 Parent Notes) Excused
Dentist Appointment (Left school at 2 PM)	Tardy	Parent Note (Counts as 1 of 8) Excused OR Dr. Note
Flu (Missed 4 Consecutive Days)	Absent	Parent Note (Counts as 4 of 8) Excused OR Dr. Note
Traffic	Tardy	No Note Provided – Unexcused
Missed school, parent note provided, no reason given on parent note.	Absent	Unexcused

In the event a student is removed from school for **vacation**, the teacher must be **notified at least two weeks in advance**. Students on vacation are marked absent and are responsible for all work missed. Please follow the policy for excused absences.

MAKE-UP WORK

Students who are absent due to illness or personal vacation will be required to complete make-up work. Depending on the number of days missed, students will be given two days to one week to complete and return the make-up work to the teacher. If the assigned work is not submitted on time, the grade for the missing work will be recorded as a zero. In case of a prolonged illness, parents should contact the teacher to make special arrangements.

HOLIDAYS AND DAYS OFF

You will receive a school calendar at the beginning of the year listing all holidays and off-days. In the event of excessive snow days, we will utilize “at-home instruction” to fulfill the required number of school days.

INCLEMENT WEATHER

In the event school is delayed or closes due to inclement weather, you will be notified via FACTS text alerts.

DOCTOR APPOINTMENTS

Doctor and dental appointments should be made after school hours if possible. However, if a school time appointment is necessary, a written note must be

submitted to your child's teacher. For such appointments, the child will be marked tardy to indicate incomplete attendance for the day and will be required to complete any missed classwork.

TARDIES & ABSENCES

Students who arrive late to school **must report to the office with a parent/guardian** and receive a tardy slip before going to their classroom. Children more than 1 ½ hours late will be marked ½ day absent. If a child is removed from class prior to the end of the school day for any reason, a note must be provided, and the student will be marked either tardy or ½ day absent, depending on the time removed. All absences/ tardies are marked unexcused without a valid parent note due upon the student's return.

16. COMMUNICATION

ZCA is committed to helping children and their families as it pertains to school adjustment, growth, and development. Please feel free to discuss your child's needs or concerns with their teacher. If more than a few minutes are needed with a teacher, please schedule a time before or after class. We encourage your input and hope you will communicate with us as you feel necessary. We will make every effort to collaborate with you concerning the needs of your child.

You may contact teachers directly through email. Phone calls from teachers will ordinarily be made during the teacher's planning period or after school hours. If parents and teachers are partners in the education and training process, communication is a must. The following are ways that we strive to communicate with the home:

1. **Daily Folders (K-2nd)** are sent home every day with important information*.
2. **Friday Folders (3rd -4th)** are sent home every Friday with important information.
3. **Student Agenda (2nd-8th)** encourages daily correspondence between teachers & parents. Parents, please look at your child's agenda daily.

7. **Parent-teacher conferences** will be scheduled after the 1st grading period and can also be scheduled before or after school upon request. Please contact the teacher for availability when needed.
8. **The Family Handbook** is a great resource to look back on as a refresher of our school rules and guidelines.

9. **Report cards** are issued every six (K-3rd) and nine (4th-8th) weeks.

10. **Social Media:** Parents can stay current on all school events, fundraisers, activities, special events, and important information through our Facebook page. Please like our page on Facebook and follow us on Instagram, "Zion Christian Academy." Please email the school if you do not want your child to be included in ZCA's social media posts.

17. RECESS

All children, K-4th, are expected to go outside for recess, weather permitting (please dress your children accordingly). If weather conditions do not permit outdoor recess, recess will be held indoors. Students in grades 5-8 will also go outside for PE and free time.

19. FIELD TRIPS

Teachers are encouraged to take classes on field trips that will enhance an area of their education. To do so, parent volunteers may be needed to chaperone and/or help transport children. Chaperones are necessary for maintaining certain child-to-adult ratios that ensure proper supervision and safety of each student. Because of this, **siblings are not permitted to attend field trips**. If you are able to help, please let your child's teacher know.

Permission slips signed by parents or guardians must always be given before any field trip. A criminal record check must be completed before you can volunteer. If you have never attended a field trip with Zion Christian Academy before, please go to our website, select "School Resources," and print off the "Volunteer Registry Form." Complete the form and return it to the school office. Be sure to check the first box (A Licensed Child-Care Center Employee, Volunteer, or Adult Household Member) and provide a copy of your driver's license.

20. HOMEWORK

The purpose of homework is to help each student thoroughly grasp and master the material already presented. Repetition and reflection will promote better understanding and retention. Parents can assist the student by providing a quiet place, regular study time each evening, and by making sure assignments are neat, complete, and accurate.

21. REPORTING STUDENT PROGRESS & GRADING

Zion Christian Academy uses a variety of methods to inform parents of their child's progress in school. It is our hope that the different communications will help both the parent and the teacher to provide for the needs of the child.

REPORT CARDS

Report cards are emailed and available to view on FACTS Management. Report cards for grades K-3 will be sent at the end of each six-week term. Grades 4-8 will be sent every quarter. These reports will indicate progress, grades, and areas of needed improvement.

PARENT-TEACHER CONFERENCES

Parent-teacher conferences are scheduled with the teacher after the 1st grading period and upon request.

GRADING SCALE

The grading scale for grades K through 8 is as follows:

- How the teacher can assist the student to raise the grade.
- How parents can assist their students at home.

22. PROMOTION

It is our desire that each student at ZCA be successful in his/her academic achievements. Ideally, students progress from one grade level to the next after one academic year. However, due to the uniqueness of an individual, it may be necessary for a student to repeat a grade. After consulting with the student's parents, the teacher and director may require a student to be retained in a grade. The faculty and administration respect the right of parents to enroll their child in another academic institution if the parents want their child to advance to the next grade level. **** Please see the Attendance Policy on page 12.**

Consequences will be reviewed and differentiated based on the nature and impact of each individual offense. Throughout the discipline process, it is always Zion Christian Academy’s desire to administer reconciliation and restoration to whatever extent is possible.

Grades K-4

Students in grades **K-4** who violate the Zion Christian Academy Honor Code will receive the following consequences. Each teacher will communicate their specific classroom management and behavior policies at the beginning of the school year.

Grades 4-8

- Accumulation of eight (8) demerits in one quarter will result in in-school detention.
- In-school detention: Students will be given an in-school detention assignment. In-school detention does not take the place of a student's regular assignments, and he/she will still be responsible for completing his/her regular class assignments for that day.
- Persistent accumulation of demerits will result in further actions, which could include loss of field trips and/or expulsion.

A **Behavior Policy** has been implemented in grades 5-8 for students who exhibit behavioral violations of the Zion Christian Academy Honor Code.

- At any time, if a student needs to utilize their device, they may ask any staff member for permission (i.e., check for a text from a parent). This permission is given for one-time use. Staff members will work to accommodate all genuine requests (generally not during class/teaching but during a free period or passing period).

- Any parent/guardian needing to reach a student immediately should call the campus office, a message will be delivered right away, and/or the student brought out from class to contact their parent/guardian.

32. ANIMALS AND PETS

For safety and health reasons, pets and animals are not permitted in the school building.

33. RATIONALE AND PROTOCOL FOR CONFLICT RESOLUTION

It is vitally important that open communication be maintained between parents and staff members. General disciplinary action involving student behavior will be handled by the teachers. Situations in which student behavior becomes inappropriately chronic or flagrant will be referred to the school principal. Zion Christian Academy willingly receives constructive criticism or suggestions concerning ways the school might be improved or information concerning problems that may exist.

The Bible specifically directs that conflict be resolved in a very specific way (**Matthew 18:15-17**). In addition, we are to be quick to hear, slow to speak, and slow to anger (James 1:19). **Therefore, parents should direct problems, criticisms, or suggestions using the following line of communication: teacher, principal, and finally, Pastor Garrett Cuzick.**

34. GOVERNANCE STRUCTURE - Board of Directors/School Board

The Board of Directors at **Gathering Place Church** holds the primary responsibility for overseeing the governance of all ministries affiliated with the church.

The School Board of **Zion Christian Academy** is tasked with formulating policies and providing advisory support to the school administrator.

Members of both the **Board of Directors** and the **School Board** must demonstrate evidence of being born-again, fulfill all qualifications for church membership, and have publicly affirmed their alignment with the school's statement of faith.
